

MEDIA RELEASE

***RafflesMedicalGroup* Raises More Than 6,000 Bowls of Rice
for Needy Families**

Singapore, 9 October 2016 – *RafflesMedicalGroup* (RMG or ‘Group’), a leading healthcare provider with medical operations across 13 cities in Asia, organised a Family Walk cum Corporate Social Responsibility Day in conjunction with the Group’s 40th Anniversary. 250 employees and their families walked more than 600 kilometres from 8:00am to raise over 6,000 bowls of rice for needy families in the South East district.

RMG is privileged to partner South East Community Development Council (CDC) and NTUC FairPrice for the first time in the “NTUC FairPrice Walk for Rice Campaign”. As a symbol of its humble beginnings 40 years ago, the walk began at Singapore Land Tower, Raffles Place, where the Group started its first clinic, and ended at Raffles Hospital. The participants then enjoyed a mini carnival and refreshments.

In addition, RMG invited 94 senior citizens from South East CDC for free health and dental screenings at Raffles Hospital for this event. These seniors range from aged 52 to 86 years old.

Guest-of-Honour Mr Seah Kian Peng, Vice Chairman of South East Community Development Council and Chief Executive Officer of NTUC FairPrice Co-operative, graced the event as he gave an encouraging speech and mingled with the elderly.

Mr Seah said: “Ageing is usually associated with a decline in functional ability, such as poor vision, difficulty in hearing and decreased leg strength and/or balance. These conditions can affect a senior’s well-being and quality of life. As such, it is heartening that corporate organisations, like Raffles Medical Group extend their resources to give back to the community by providing health screening for our seniors.”

“This is a meaningful event as it brings our employees and their families together for a day of fun, wellness and giving. Being in the healthcare industry for 40 years, we want to give back to the society by leveraging on our expertise and resources – by providing quality healthcare to those who need them,” said Dr Prem Kumar Nair, Chief Corporate Officer of Raffles Medical Group.
