### ***RafflesMedicalGroup* Submits Tender for Private Hospital Development in Hong Kong**

Singapore, 27 July 2012 – Medical Properties Limited, a wholly owned subsidiary company of ***RafflesMedicalGroup*** submitted today a tender called by the Government of Hong Kong Special Administrative Region for development of a private hospital on the Aberdeen Inland Lot No. 458 site.

***RafflesMedicalGroup*** is a leading medical group practice in Singapore that owns and operates a fully integrated healthcare system comprising a hospital, clinics, insurance and consumer healthcare.

The Group operates a network of more than 70 ambulatory clinics in Singapore, and operates three medical clinics in Hong Kong. It also runs a medical centre in Shanghai. The flagship facility, ***RafflesHospital***, is a tertiary hospital located in the heart of Singapore city providing a full complement of specialist services.

***RafflesMedicalGroup*** operates on a group practice model exemplified by some of the world's finest medical centres such as Memorial Sloan Kettering Cancer Centre, Kaiser Permanente and Mayo Clinic. The model affords a structure of clinical leadership and membership of medical staff sharing a commitment to the highest quality of medical practice through team-based care.

***RafflesMedicalGroup*** is ISO 9001:2001 certified, and ***RafflesHospital*** is a Joint Commission International accredited hospital.

In submitting its tender, **RafflesMedicalGroup** hopes to add to the overall healthcare capacity in Hong Kong and contribute to meeting the growing needs and demand of the community for good quality specialist and hospital services.

**RafflesMedicalGroup** would add to the healthcare landscape through its group practice model which offers a structure for institutionalising good evidence-based medical practice, professional development, quality assurance, education, as well as consistency and transparency of charging of professional fees. **RafflesMedicalGroup** will support the Government's efforts in promoting public-private collaboration and partnership in the provision of medical services and its accessibility to the people of Hong Kong.
